ELECTROMAGNETICWORKS Inc.
SPONSORSHIP AGREEMENT

This Sponsorship Agreement is being made between EMWorks Inc. ("The Grantor") located at 150 Boulevard Montreal-Toronto, Suite 120, Lachine, QC, H8S 4L8, Canada, and Aeromodelling Club NIT Kurukshetra ("Qualified Students Club") currently affiliated with NIT Kurukshetra located at Mirzapur Part, Kurukshetra, Haryana 136119, India.

This document is a legally binding Agreement between the above listed parties and will become effective on September 24, 2020 ("Effective Date").
EMWorks Inc. agrees to sponsor Aeromodelling Club NIT Kurukshetra **during the design phase** to compete at The Indian Hyperloop Pod Competition which will be held in _____.

The cost for an annual seat of EMS premium license is indicated in the attached quote (Quote# 112707000051220154)
The Qualified team will have access to__ seats of EMS premium license.
The cost of a single seat of EMS Educational license is 950 USD. Under the Sponsorship Program, Aeromodelling Club NIT Kurukshetra will have access to the software for free.

During the license period, the Qualified team will have free access to application and technical support to ensure a successful use of the software and to obtain good simulation results.

The license should be used for Educational purposes only.

IN CONSIDERATION OF the Sponsor providing their software licenses to Qualified Student Club at no cost, the Qualified Student Club agrees to the following terms & conditions:

1. All Qualified team members should have access to SOLIDWORKS

2. The Student Club should provide group institutional e-mail address or institutional confirmation, full name and institutional email address of team advisor, as well as institutional email address of each member associated with the group.

3. Members will have access to activation licenses that can be transferred to different machines through EMWorks server.

4. All updates and technical support are provided for 12 months following the date of software acquisition.

5. Support requests shall be made by the team leader, the club adviser, or IT administrator, and should be sent to "support@emworks.com" or suzan@emworks.com.

6. Members will have access to a premium license of EMS software.

7. Agree to refer EMWorks product(s) when writing a technical paper, white paper, article, thesis, presentation, book or web page

8. Agree to produce a minimum of 1 whitepaper per academic year where EMWorks product(s) are used.
Or

9. Agree to provide a 2 minutes of application video on EMWorks product use or a testimonial (min. of 200 words). Please confirm if you would prefer to commit to do (8) or (9): ___

10. Commit to acknowledge EMWorks as a Sponsor based on the sponsorship level indicated in the club's sponsorship package/ proposal. Please list below what you will commit to do in exchange for the free license.

- Sponsorship level: _____
- Display EMWorks as a sponsor on the team's website

DEFINITIONS

For this document, the following terms shall have the meanings below:

1. "Educational Purpose" means classroom or laboratory learning by Qualified Students or instruction or preparation of courses by Qualified Instructors. Educational Purposes may also include capstone or other student projects if the work is non-proprietary, does not create or transfer Intellectual Property and the results will become part of the public domain. Educational Purposes do not include Non-Commercial/Commercial Research Purposes and Commercial Purposes.
2. "Qualified Student" means a full-time, degree-, diploma- or certificate-seeking student at a Qualified Education Institution. Qualified Students must be enrolled in at least six (6) credit hours of courses and/or lab work to be considered full-time. Qualified Students do not include post-doctoral or professional researchers, corporate training program participants, or members of Fab Labs or hobby centers.
3. "Qualified Student Club" means a society, association, or an organization operated by students at a school, college or a university whose membership includes actively enrolled students or alumni
4. "Intellectual Property" means anything that creates commercial value, generates revenue of any kind or increases recognition of an individual or institution.

5. "Qualified Educational Institution" means an accredited non-profit public or private educational institution, an accredited for-profit private/career school, government-certified apprenticeship or government-certified workforce development program. Qualified Educational Institutions do not include non-accredited schools, non-accredited training centers, non-accredited workforce development centers or non-accredited homeschool programs. Also, not included are non-profit learning centers, museums, public libraries, outreach programs, Fab Labs, maker spaces, hacker spaces or hobby centers.

By signing below, the Parties agree to the terms & conditions of this Sponsorship Agreement.
